

NFA MONEY TALKS

No Fucking Around Mindset Strategies That Magnetize Money

Dr. Amanda - "The Money Healer"

NFA APPRECIATION

I first met Amanda by asking HER to be a Special Guest speaker for a group that I'm running. At the end of our interview, I asked questions about her work and her clients.

I told her how I had experienced so much growth and success as a coach and business owner, but that my money results weren't quite what I wanted or expected. She understood this discrepancy, completely, and she knew how to help.

I hired her on the spot.

In the WEEK that I hired Amanda, I made back my investment with a new client. In the weeks that followed, I doubled my monthly revenue compared to any other month this year. But improved money results were just the beginning. I'm a deeply self-reflective person and passionate about my growth and development. Try as I might, however, I still am too close to myself to truly understand myself. That's where an outside perspective from a gifted coach, mentor, and consultant, like Amanda, is priceless. She helped me gain tremendous clarity around what I'm here on this planet to do right now, who that supports, HOW that supports others, and how I can ENJOY the path of wealth building along the way.
