No Fucking Around Mindset Strategies That Magnetize Money

Dr. Amanda - "The Money Healer"

NFA APPRECIATION

Dr. Amanda is the most efficient coach and teacher I have worked with so far. Her ability to identify the core issues fast is so helpful. My business shifted in huge ways after our first couple of sessions. We created a map to grow into a multiple 6 figure

business using her strategies. I highly recommend Dr. Amanda if you want to make a bigger impact and take quantum leaps in your business!

-Macy Matarazzo - CEO SuperLoved™

I participated in one of Dr. Amanda's programs, and found huge value in it. By the end of the class we had prepared a declaration based on my personal circumstances. I took this and posted it up in multiple places for me to see every day.

Within two weeks I had experiences shifts specifically related to this declaration. I am looking forward to (and excited about) seeing the impacts of working with Dr. Amanda going forward.
